

Your Trusted Advisors

Thank you for expressing interest in RGV Realty. We've implemented new guidelines for clients to protect our agents, staff, but most importantly you from COVID-19.

RGV Realty offers a wide range of services for our clients. The first steps in purchasing property include hiring a top Realtor and Lender. To hire us and become our client, we need to review and sign a Buyer Representation Agreement. This will create the exclusive relationship that allows us to help you get pre-qualified with a lender, coordinate showings (virtual or in-person) of property that meets your criteria, create market analysis and help you negotiate the sales contract. We are experts at navigating the purchase process.

By working exclusively with one top Realtor, you limit your potential exposure. In turn, we can provide more personalized service to only serious and qualified buyers, limiting our exposure, as well. Please contact us to schedule a meeting to discuss the representation agreement and officially hire us as your exclusive Realtor.
